

WHAT'S ALL THE BUZZ ...

ABOUT FERNANDA'S ENERGIZING PRESENTATIONS?

"Every now and then a rare find as a speaker comes along - one who can not only deliver a powerful message but display confidence and endearment to their audience at the same time. When Dr. Fernanda Oliveira spoke as one of 6 presenters at our annual Speaking Consulting Network in May of 2007, she truly wowed the audience and received a standing ovation. Your audiences will be glad she's part of your next dental program."

"You won't find a more authentic, passionate, or relevant speaker than Fernanda Oliveira! She moves audiences through timeless and yet contemporary material and takes them on a ride through and toward their personal potential. Fernanda will move you to action and inspire you to reach for more!"

"Fernanda Oliveira delivered an outstanding performance during our 2007 SCN Spotlight on Speaking in Charleston, SC. And it's not that easy. First, you have to be selected from dozens of applicants with a topic that is of interest to dental experts, consultants, publishers, and meeting planners. She did! Then, you have to get up in front of your peers and deliver an outstanding presentation in both delivery and content. She did - with a standing ovation no less! Finally, you have to be willing to accept the constructive encouragements of the audience as they give you the best feedback you will ever get. She did! Did I say it was outstanding? I should say stellar, because that's what she did."
